

Spring

WIN A GIFT BASKET FOR ORAL HEALTH MONTH (APRIL 2010)!

The Carriage Place Dental Centre is celebrating Oral Health Month by organizing a draw for fabulous gift basket of goodies that will get you ready and raring for summer—a cool pair of sunglasses, sun screen, lip balm, a ball cap (we don't want the sun's harmful rays interfering with our fun!); a water bottle, a healthy eating magazine and snacks; and of course, an array of oral health aids (we are a dental clinic after all!). The draw is open to all our patients who want to drop by and fill out a ballot, but those patients who visit our hygienists during the month of April will automatically have their names entered in the draw. In addition to the goodies in the basket, the winner will receive a credit to his or her account for the hygiene services provided at the April appointment! (If the winner did not have an appointment in April, he or she will receive a gift certificate for 2 units of scaling—a value of just over \$100!).

In the spirit of Oral Health Month and giving back to the community, the Carriage Place Dental Centre is also donating two large baskets of oral health aids and other general sundries to Transitions House in Fredericton, which provides a safe and confidential shelter for abused women and their children.
